

What is your computer's operating system (OS)?

Windows 10 Pro/Education,
Windows 11, MacOS, or Linux

- ✓ You need Docker
- ✓ Installation steps: check system requirements!

Windows pre-10 or
Windows 10 Home

- ✓ You do not need Docker (but still handy to have!)
- ✓ Installation steps: depending on whether you have miniconda/Anaconda/Python already installed

INSTRUCTIONS:
